

Welcome Back – We hope you have all had a great summer and that you and your families are well. We look forward to welcoming you back in September.

Reminder – Greenheart Learning Partnership

As a Trust we were created by the University of Wolverhampton with a mission to close educational gaps so that as many children as possible could go to University. However, as a group of schools we were never just linked to one university or to higher study being the only outcome for a young person.

We work with many partners across the region. We feel that the time is now right to reposition ourselves and have a name that reflects our core identity. We exist to serve our pupils and families first. We are about developing skills and learning for life and about having significant influence in the places we work. We are a partnership and focussed on learning – a learning partnership. We are also in the heart of our communities and at the heart of the country geographically.

We are focussed on creating a better tomorrow for our children through the work we do in our schools – we want to enhance social mobility, to create learners who are ready for life with the digital tools they need and, to do our bit to create a net zero and greener world for them to live in.

I am delighted therefore to announce that we are now known as the Greenheart Learning Partnership. You will see gradual changes around each Academy to reflect this.

We have a very strong group of Members and Trustees who are committed to our new direction and the full support of the Regional School's Commissioner and the ESFA.

Prof. Michelle Shaw
CEO GREENHEART

Greenheart Senior Appointments

We would like to introduce the following new Head teachers to our Academies. We know that our communities will welcome and support them in continuing the good work and success that has been achieved to date.

Christa Stokes – Head Teacher at The Orchards Primary Academy

Darren Mann – Head Teacher at Fairway Primary Academy

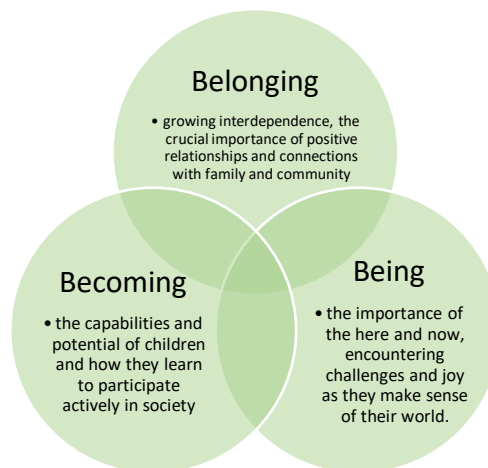

Andrew Byrne – Head Teacher at Tame Valley Primary Academy

Sarah Yates – Head of School at Pye Green Primary Academy

Local Advisory Committees

If you would like to play a more active role in supporting and challenging the Leadership teams across the partnership, as well as contributing to future development of the partnership then please see your Head teacher to express an interest in joining the Trust Local Advisory Committee. The committees generally meet once a term and you are able to attend the meeting either online or in person, whichever is more convenient for you.

Our Academies and our Vision – Our family of Primary Academies who work closely together and who make up our partnership
