RE: Morning Routines

Dear Parents/Carers,

It has been brilliant to see the children settle in to the new school year so well.

Nursery, Reception and Year 1 are well on the way to being settled and establishing the early morning routines of settling into the classroom.

Year 2 to 6 are already now well established and are straight into learning as soon as the children are in class. With this in mind, we are asking that in a morning parents and carers do not enter the main school building. There are several reasons for this, firstly, it promotes the independence that we want to see in our children, secondly, the teachers need to be ready to teach and are responsible for their class as soon as they come in and finally it helps us keep the building safe by only allowing other adults to enter the main building through the main reception.

If you need to speak to your child's class teacher you can see them at the end of the day, all teachers are outside when dismissing the children.

If you need to get a message to your child's class teacher then please use Dojo or speak to a member of staff who is out on the playground. Several members of staff are always available each morning. You can also visit the main office who might be able to help you.

Some children come to school a little concerned or anxious. If this is the case please speak to one of the adults who is on the playground or entrance gates who will be happy to help and support your child in starting their day.

We thank you, as always, for your cooperation.

Yours Sincerely

Mr R Parslow
Deputy Head Teacher
Woodhouse Primary Academy
