RE: Increase to cost of Before and After School Provision at Woodhouse Primary Academy from April 2023

Dear Parents/carers,

With regret, I am writing to you to inform you about an increase in the cost of our hourly rate for Before and After School provision at Woodhouse Primary Academy. You will be well aware, having seen in the news, that during the last year inflation has been at around 10%, which means the costs have risen by this, as they have done each year, and much more swiftly since 2020. Despite the regular increase in our costs, we have tried to limit any increases that need to be passed on to families. Our BASC hourly rate has not gone up in price for over 10 years but unfortunately this is no longer sustainable for school to bear any longer.

As of the 1st April 2023 school will be increasing the hourly rate for before and after school club. It is currently £4 per hour for the afternoon sessions with a maximum charge of £12. This will be increasing to **£4.20 per hour** for the afternoon sessions with a maximum charge of £12.60.

For the morning session we currently have two charges, £2 for the 7.30am session and £4 for the 8am session. If attending from 7.30am the current total charge is £6. From the 1st April this will be increasing to **£2.10 for the 7.30am session and £4.20 from 8am**. If attending from 7.30am the total session will now cost £6.30 per day.

My Child at School will be updated with these costs and payment for before and after school club will still continue through the app, you will not need to do anything and will be able to continue to pay in your usual way. I hope you appreciate the challenges for school on sustaining our provision, whilst ensuring it is as good value and affordable for families as it can be.

Yours sincerely

Mr O Wilson
