Wednesday 14th September 2022,

Dear Year 6 and Year 5 parents,

It has come to that time when you will be thinking about choosing the secondary school for your child. Parents of Year 6 children have until October 31st 2022 to apply online, whilst for Year 5 children, this will be October 31st 2023. You should apply for places through your home local authority (who you pay your council tax to). For Birmingham the details and links to the online form can be found here:

https://www.birmingham.gov.uk/info/20119/school_admissions/1778/secondary_school_year_7_admissions/1

This can be a difficult task for families – both making decisions and completing the official application online. If you need **any** help or support, I will be glad to do everything I can. You can arrange to meet me at the start/end of the school day and I will help. Other staff who can assist would be Miss Lavelle and Mr Parslow. We have all carried out the application process as school staff, but also as parents, so we are here to assist.

It is important that you have an idea of where your child wants to attend. The best way of doing this is to make school visits to School Open Sessions. I have contacted all local Secondary schools and asked them for their open sessions. The responses I have had or have been able to find are (listed in alphabetical order):
