The Inclusion Team at Woodhouse work together with children and families to offer and provide support and opportunities to ensure that all have the chance to achieve and succeed. If you have anything you would like to discuss with a member of the team regarding your child or children's learning, behaviour, well-being or health then please come along to one of our upcoming surgery sessions, contact us on the email address above or book an appointment through the main office. The most appropriate member of the team, depending on your query, will get in touch with you to discuss next steps and/or arrange a meeting. All members of the team will be on hand at surgery sessions as well as on a daily basis.

We would like to remind families that if times are difficult or you are going through a tough time, you need only ask and we will do all we can. Of course, we are always here for your children, and we will do anything which we can do to help them to learn, succeed and become fine citizens. We are also there for our families and the wider school community. If we can help in any way: with food bank support, support with uniforms and clothing or with any other aspect of life, then please come and talk to us. If we cannot help directly, we can often sign post to the support needed and help you to access assistance. Please don't suffer in silence.

THE BIG WINTER BOOK AMNESTY

Attention all readers! Over the next few weeks, Miss Wynne and the reading team will be taking stock of all the library books in school to see what we have and what we need.

Can you all please have a look at home and bring back ANY school books that you have and return them to your class teacher.

You will still be able to borrow a book over the Christmas break.

The Choir at Christmas

With the festive season upon us once more, Mrs Cooper and the Woodhouse Choir have been hard at work twice a week practising their carols ready for their now annual Christmas tour! This year our choir have performed at Burcot Garden Centre, earning us a Christmas Tree in the process, they have sung at our local care home and the local pub, they have performed at the local Tesco store and also sung at the University. Their final tour date of the season, before their Young Voices performance, will be at our annual Key Stage Two carol concert at St Faith & St Lawrence church.

If you enjoy singing and would like to join the choir, they meet every Tuesday and some Thursday mornings from 8:30 in the hall. Mrs Cooper and Mrs Hartland run the choir so have a chat with them and turn up after Christmas. They are always open to new enthusiastic members.

The Rainbow Room have been hard at work in their Art lessons with Mrs Lewis over the past few weeks making festive ornaments and pots. They have all worked very hard and produced some fantastic pieces.

Christmas Nativities

Last week and this we have seen fantastic nativity performances from Nursery and Reception.

The children have been learning about the story of Christmas in class and have put their learning together to produce the performances you have seen.

Nursery had the honour of kicking off nativity season and did it in style. Considering they have only been in school since September makes it that extra bit special. They have all made lots of progress in the past few months and showcased it all over two performances on Wednesday last week.

Reception followed suit this week with two performances on Tuesday. Again, they showed how far they have come over the past year. Some of them were with us in Nursery so will have done a nativity before but for others it was their first time. The standard of their performances were very high and despite the technical difficulties in the afternoon, they were a joy to watch.
