The

Corner

Year 3 have been making these wonderful clay in their art lessons animals as part of their Go Wild theme.

Children's University has now resumed at Woodhouse and children can now begin to collect points once again. All children from years three up who are new to the scheme have been given a passport for learning. Those who already hold a passport can continue to collect points. Lost or completed passports can be replaced for £6.

### What is Children's University?

Children's University is a charity that works in partnership with schools to develop a love of learning in children. We do this by encouraging and celebrating participation in extra-curricular activities in and outside of school.

### How do children collect points?

Children can collect points by completing each hour of extra-curricular activities. All points must be from a validated learning destination such as school or an outside agency that has agreed to take part in the scheme. All learning destinations can be found online and there are plenty to choose from in the West Midlands. Children can collect points by visiting museums or the library or by taking part in dance, sport, music or acting clubs. They can also gain points from Brownies or Scouts if they are completing badges. Each outside club must be agreed by Mrs Ali who can validate outside agencies. Children are encouraged to take part in lots of activities rather than just one. It is now recommended that one activity makes up no more than 30 hours per year.

### Passports

Each week children will be asked to provide evidence in their passports about clubs they have attended. Children will need to show a Children's University stamp or signature as evidence. It is also possible to record a set of weeks that can be submitted before for the half term deadlines. E.g. Art club 6 weeks.

### Graduations

At the end of each year, a Children's University graduation will take place to celebrate the children's achievements. Children who gain 30 hours or more will qualify for a bronze certificate. Children who have taken part previously will continue to a higher level.

October 2021

Parent/Carer of

Dear Parent/Carer,

**Apply online for your child to start Reception class in September 2022**

I am writing to you because I understand that your child is able to start school soon. By law, parents/carers must ensure that their child is receiving suitable full-time education at the beginning of the term after their fifth birthday. In Birmingham, however, your child can go to school in the September after his or her fourth birthday.

We would ask you to visit **[www.birmingham.gov.uk/schooladmissions](http://www.birmingham.gov.uk/schooladmissions)** and submit an online application from 1 October 2021 and by **15 January 2022** (the final closing date). We would strongly recommend that you ensure you read the 'Primary School Admissions Criteria 2022 Information' prior to submitting your application. In addition to this, most schools will hold virtual open sessions where parents can talk to teachers or view the school's own prospectus etc. Please visit your preferred school's website for further details.

Online applications will receive an immediate email confirmation when the application is submitted. Those online applicants who have not provided an email address will not receive an acknowledgement so it is very important that you include an email address. If you have not received an acknowledgement by 15 January 2022, then you should call Children's Services on 0121 303 1888 to confirm that your application has been received.

Online applicants that submit their application with a valid email address will be sent an offer by email on 19 April 2022. Parents/carers that submitted an online application without a valid email address will be sent an offer letter by first class post which should arrive from 19 April 2021 and should be delivered by the end of that week. Finally, please remember, you do not need to have the internet at home. You can apply online from any device with internet access or if you are able from a computer whilst at work.

If you have any questions about your child starting school, please do not hesitate to contact a member of Children's Services on 0121 303 1888 where staff will be pleased to offer their assistance.

Yours sincerely,

Alan Michell  
Head of School Admissions and Fair Access

If you have anything you would like to discuss with a member of the team regarding your child or children's learning, behaviour, well-being, health or anything else then please get in touch. [families@woodhouse.uwmat.co.uk](mailto:families@woodhouse.uwmat.co.uk)

If you'd like to get in touch with us regarding Special Educational Needs, you can do this by emailing us at [sensupport@woodhouse.uwmat.co.uk](mailto:sensupport@woodhouse.uwmat.co.uk)

The Inclusion Team will also be on the front and rear gates at the start and end of the day and will be more than happy to talk.

We would like to remind families that if times are difficult or you are going through a tough time, you need only ask and we will do all we can. Of course, we are always here for your children, and we will do anything which we can do to help them to learn, succeed and become fine citizens. We are also there for our families and the wider school community. If we can help in any way: with food bank support, support with uniforms and clothing or with any other aspect of life, then please get in touch. If we cannot help directly, we can often sign post to the support needed and help you to access assistance. Please don't suffer in silence.
