Reducing Parent Conflict

Most relationships have their ups and downs, and disagreements and arguments are normal. But arguments between parents that are intense, hostile, and poorly resolved can be harmful to their children and put their mental health and long-term life outcomes at risk. Learning to argue in ways that are helpful rather than harmful is vital for maintaining healthy relationships, whether parents are together or not.

Schools have access to a range of digital resources provided by OnePlusOne that are designed to help parents reflect on conflict in their relationship with current or ex-partners, as well as the impact on their children. The resources use videos and animations that incorporate evidence-based techniques to promote behaviour change and help parents to argue in ways that are helpful rather than harmful.

The resources can be accessed at your discretion from a laptop, tablet or smart phone.

There are 3 workshops available:

- Me, You and Baby Too – Aimed at new and expectant parents.
- Arguing Better – Aimed at parents experiencing high levels of stress and couple conflict.
- Getting It Right For Children – Aimed at separating or separated parents experiencing high levels of conflict.

All workshops are free and can be completed at your own pace, discretion and convenience.

Parent Wise – A helping hand for parents and carers

As children get older and more independent, issues that affect them can be harder to spot and deal with.

Learning about potential dangers can give you the knowledge and skills to act if there is a problem. It could also help keep your child safe by preventing problems before they happen.

You know your child best, so if you've got a feeling something's up - you're right not to ignore it.

Apply online [NOW](https://www.healthystart.nhs.uk/how-to-apply/)

The Healthy Start scheme is changing, with a new online application process and prepaid card, to replace the paper vouchers. Paper vouchers will no longer be issued after **31st March 2022** so it is very important that you apply for a prepaid card as you will no longer receive vouchers after the 31st March 2022. **You will not automatically be transferred onto the new scheme.**

To apply for the first time or get your new prepaid card, go to the Healthy Start website www.healthystart.nhs.uk/how-to-apply/ and follow the steps for applying.

Pregnant women and families with children under the age of 4 may be eligible for help to buy healthy food and milk if they are on certain benefits. Healthy Start vouchers are currently worth **£4.25** per week per child under the age of four – but if you have a child under one year, you could get two vouchers a week giving you **£8.50**

Birmingham Children's Partnership

From Birmingham with Love

We've all been through a tough time with Covid-19 and repeated lockdowns. For many families it can get harder over Winter, which is why we're here to help. Here are some of our partners' most used services and support, which might make life a little bit easier...

1. **Online parenting course.** We've pre-paid for every parent in Birmingham to access a [parenting course](#). Just enter the access code "COMMUNITY" at the top of the page to claim. There are courses for parents, carers and grandparents of children from bump to 19. Learn about how your child develops, and get tips to manage their behaviour.
2. **Mental health support.** In these difficult times we have to look after our mental health. For young people aged 11-25 there are forums, guides and counselling available at [Kooth](#). If your child 0-25 needs support, get in touch with Pause by calling 0207 841 4470 or [email](#). Adults can get support from [MIND](#) by calling 0121 262 3555. Or for urgent help call [Forward Thinking Birmingham](#) on 0300 300 0099.
3. **Financial help.** If you've lost your job, or are struggling for food or rent there are services that can help. [Local welfare provision](#) can make a big difference if you are in a crisis and need food, fuel or basic white goods. [Discretionary Housing Payments](#) may be able to help with rent. And there are [food banks](#) across Birmingham that are here to help.
4. **Domestic abuse.** For women and children affected by domestic abuse please see [guidance](#) or confidentially contact [Birmingham and Solihull Women's Aid](#). For Men, please contact [Respect](#).
5. **Problems with drugs or alcohol.** A new, discrete app called Staying Free is available on Android or Apple. Use the code "birmingham11" for pre-paid access. To speak to someone call [Change Grow Live](#).
6. **Bereavement support.** It's a terrible time to lose a loved one — you can get help by calling 0121 687 8010 or from [Cruse](#).
