Medication in school

Many children in school require medication to be kept in school for use throughout the day or in an emergency, such as Inhalers and Epi-pens.

Staff in school perform monthly checks on all medication to ensure it is available, in date and that there is a sufficient quantity for children to use. We will communicate with parents and carers when this needs replacing.

Please keep school up to date with any changes in medication or how and when it is to be administered. To do this, please inform the main office of any changes.

We can also administer temporary medication such as anti-biotics. We have secure, refrigerated storage for medicines within the main office. Please bring any medication to the main office and complete a form to consent to us administering this on your behalf.

Woodhouse Clothing Bank

After introducing the clothing and uniform bank in the Autumn term, we have now rearranged and improved access to our stock. There are all necessary uniform items for boys or girls of every age and size, with a mix of pre-loved and brand-new donated clothing.

Alongside the uniform, we have school shoes, trainers, wellies and pumps - again, in a wide range of sizes. Our new clothing rails mean that the impressive array of outdoor coats can be properly displayed and can be better selected from. Hats, scarves, gloves and bags complete the offerings.

Since setting up the uniform and clothing bank, we have been inundated with support from families in school, with the community at Woodhouse committed to helping others in this way. We are excited about what else we can do to help, and will continue to grow this provision.

Need a drying hand?

Thanks to a company called Smol and their Suds in Schools project, we also now have washing and drying facilities within school for families who are struggling with this where we can offer a discrete laundry service.

If this is of any help to anyone, please speak with Mr Kennedy.

Many of you are already using our My Child at School platform to pay for visits, lunches and wrap around care and to receive messages from school.

We are now a cashless school so this is the only way to pay for visits, lunches and wrap around care going forward.

The platform is simple to use and is available on all smart mobile devices via their app stores.

If you haven't set this up already, please come and see the main office or email us on families@whp.greenheartlearning.org

If you have an invitation code already, you can redeem this by visiting <https://www.mychildatschool.com/MCAS/MCSParentLogin> and selecting 'redeem invitation code'.

To do this, you need your username and invitation code from your invitation email and the school ID which is 12013.

The main office will be your first port of call for any assistance with this.
