BBC Children in Need

Dear Parents/Carers

This year's theme for BBC Children in Need is to be 'Spotacular'. As a school this year we will be completing themed activities during the day. We are inviting all children and adults to come to school wearing spots.

You do not have to buy any of the themed items from the local shops. Any items of clothing or accessory with spots will be great. We are asking that in return children bring a £1 to school or you can give via the school's fundraising page at;

<https://rb.gy/k51vr>

This will take place on Friday 17th November

Thank you in advance for your support.

Yours sincerely

Mr Oakley

PERFORMANCES

Please make sure your children are in school on time to allow them enough time to get costumes on etc. Reception and KS1 performances will be in the main school Hall. Nursery will be performing in the classroom. Once the performances have started, please do not leave unless you really have to. It disturbs the children. Video and photographs can be taken as long as they are not shared on social media.

CHRISTMAS JUMPER DAY

We ask for a £1 donation, if possible which goes towards Save the Children.

Children can wear a Christmas jumper, or any other jumper and the remainder of their school uniform.

There will be a Christmas jumper exchange taking place if you wish to donate any old jumpers or you wish to swap them. There will be a link to donate online.

CHRISTMAS FAYRE

This will be in the main school building. There will be no Santa at the Fayre as the children will have seen him during the day.

If you have any good quality unwanted toys or gifts that you are looking to donate we would gladly accept them to use for the fayre.

DONATIONS

Friday 1st December children can come to school in their own Christmas clothing, but with the bottom half still school uniform. We are asking for donations of bottles for the Christmas Tombola.

This week children
have been using clay.

Year 3 have made wild
animals and Year 2
have made coil pots.

WOODHOUSE PRE-LOVED ESSENTIALS

After introducing the clothing and uniform bank in the Autumn term, we have now rearranged and improved access to our stock. There are all necessary uniform items for boys or girls of every age and size, with a mix of pre-loved and brand-new donated clothing.

Alongside the uniform, we have school shoes, trainers, wellies and pumps - again, in a wide range of sizes. Our new clothing rails mean that the impressive array of outdoor coats can be properly displayed and can be better selected from. Hats, scarves, gloves and bags complete the offerings.

Since setting up the uniform and clothing bank, we have been inundated with support from families in school, with the community at Woodhouse committed to helping others in this way. We are excited about what else we can do to help, and will continue to grow this provision.

We have plenty of variety of all items now so please come and see us if this would be of use.

Our uniform items, coats, bags and shoes are all on display outside the hall and you are more than welcome to have a look and help yourselves.

Other non-uniform items aren't on display at the moment due to lack of space but you are more than welcome to look through what we have or let us know what you need.

We are now a cashless school so this is the only way to pay for visits, lunches and wrap around care going forward.

The platform is simple to use and is available on all smart mobile devices via their app stores.

If you haven't set this up already, please come and see the main office or email us on families@whp.greenheartlearning.org

If you have an invitation code already, you can redeem this by visiting

<https://www.mychildatschool.com/MCAS/MCSParentLogin>

and selecting 'redeem invitation code'. Please bear in mind these codes are time sensitive so if you've had it for a while, you'll need another.

Battery Recycling

We can recycle all of your used household batteries in school.

Each class has a box to put batteries in and then we send them away to be recycled safely and environmentally.

WE'RE TAKING PART IN

CUT YOUR CARBON

Throughout November, we're challenging all pupils to complete 9 small, carbon-cutting actions, at home, with the help of friends and family.

Completing these challenges will raise awareness, change behaviours, and cut carbon - a greenhouse gas responsible for driving climate change.

All pupils will bring home a checklist on November 1st, outlining the simple, easy-to-deliver actions. This will help you to tick them off throughout the month.

THE TIME TO ACT IS NOW.

IT'S TIME TO
CUT YOUR CARBON!
