A message from our friends at B32 community C.I.C:

Anyone needing support this Christmas is invited to reach out to the group at Faraday Avenue.

They have books, toys, toiletries and more for anyone needing support this Christmas.

Your Local Pantry Quinton will be closed on Monday 25th December and Monday 1st January but will be open as normal on Thursdays and Fridays for anyone in need of the support.

This is a great means of support for people in the community. The staff are friendly and will go above and beyond to offer a wide range of support.

We urge anyone in need this festive period and beyond to reach out if in need. However big or small you feel that need is. Between school and our local partners, we have a wide range of support we can offer or signpost to.

Please don't struggle in silence.

Train to teach and unlock your career

There has never been a better time to consider training as a teacher. The teaching profession is one that provides challenges and rewards, and thrives on creativity. You can ignite the spark in young learners and have an immensely positive impact on their future.

You could train to be a teacher, based at Woodhouse Primary Academy. As part of the Greenheart Learning Partnership, and working with Teach First, our school is able to offer a one-year course, qualifying you to be a primary school teacher.

The course is ideal for career changers as well as those looking to take the next step into teaching.
