It has been lovely to welcome everyone back for the start of 2024. The children are already thoroughly engaged in their learning this term with lots of exciting things happening already.

There has been no praise assembly today for KS2 but we look forward to welcoming parents for next week's assembly where we will see some examples of the children's fantastic learning and achievements.

EYFS & KS1 have celebrated their reading this week during their praise assembly.

Train to teach and unlock your career

There has never been a better time to consider training as a teacher. The teaching profession is one that provides challenges and rewards, and thrives on creativity. You can ignite the spark in young learners and have an immensely positive impact on their future.

You could train to be a teacher, based at Woodhouse Primary Academy. As part of the Greenheart Learning Partnership, and working with Teach First, our school is able to offer a one-year course, qualifying you to be a primary school teacher.

The course is ideal for career changers as well as those looking to take the next step into teaching.
