As you may be aware Red Nose Day is very fast approaching. This year it is on Friday 15th March. This year's theme is; Do something funny for money. Therefore we are inviting children and adults to wear red and to come to school with 'mad hair'. There will be activities for children to take part in school that are themed around the day and they will find out what happens to all of the money that is raised each year.

As many people have now turned to digital payments, we have decided to collect this year via Just Giving. This allows you to make any donation you wish and to remain anonymous. It also allows the charity to receive gift aid from your donations too. Most importantly it means you don't have to search for coins on the morning.

The web address for the Just Giving Page is: https://www.justgiving.com/page/woodhouse-1707477546617?newPage=true

Or you can use the QR code to take you straight to the Just Giving page.

We hope that in these financially difficult times you can donate if possible.

However, if this is not possible at the moment then please don't worry.

Another reason for being online is that no one else knows who has contributed or not. Nobody at school will be ticking names off.

If for any reason digital payments are not your thing, then you can still contribute at the school. Many thanks in advance for your continued support

3A Class Assembly

We were treated to a fantastic class assembly this week from 3A all about their current theme of the Ancient Egyptians.

The children's costumes were amazing as was their acting, singing and the knowledge they shared about their topic.

In the photo above, we have Mrs Ali (or it might be Orla in disguise, we're not quite sure) with the King and Queen and their guards.

The children thoroughly enjoyed their assembly and really appreciated their parents and families coming to watch them.

Train to teach and unlock your career

There has never been a better time to consider training as a teacher. The teaching profession is one that provides challenges and rewards, and thrives on creativity. You can ignite the spark in young learners and have an immensely positive impact on their future.

You could train to be a teacher, based at Woodhouse Primary Academy. As part of the Greenheart Learning Partnership, and working with Teach First, our school is able to offer a one-year course, qualifying you to be a primary school teacher.

The course is ideal for career changers as well as those looking to take the next step into teaching.
