### Home Readers

Dear Parents/ Carers,

From Monday 5<sup>th</sup> October, it has been agreed that children will now be able to bring reading books home. To ensure everyone's safety, we ask that you follow the system detailed in this letter so that all children can enjoy books at home.

On Monday, each child will be given the opportunity to select a home reader which they are to keep at home until they have finished it. In school, they will still have another reading book (their class reader) which will stay in school, in their trays and they can read during the day. We ask that when your child completes their book, they bring it back in to school **on a Friday only** and place it in the book box at the front of their classroom. They can then choose a new book to take home and keep at home until they finish reading it. This will mean books can be quarantined over the weekend before being redistributed to other children.

We are also aware that children may have some school books at home which they were reading before lockdown happened and were unable to bring them back to school. If this is the case, please send them in to your child's class teacher in a disposable bag so that they can be added to the book box before being returned to the library.

All children will still have access to the online reading platforms which are provided by school as well as the reading books which they can now bring home. We hope that this will encourage the children to continue to read and will also give you as parents an opportunity to enjoy reading with them.

Thank you for your cooperation,

Miss K Wynne.  
English Lead  
Year 6 Teacher
