RE: Ofsted Inspection 3rd-4th December 2019

Dear Parents/Carers,

I am writing to you to share the outcome and report from our recent Ofsted inspection, which took place on Tuesday 3rd and Wednesday 4th December 2019. Our inspection was what is called a Section 8 inspection of a good school, following the good judgement given in a full Section 5 inspection in July 2015. Our inspector, Marilyn Mottram, spent her time assessing and judging our school to find out what life is like for the children of Woodhouse. She investigated what we do well and what we could improve further.

I am delighted to say officially that Woodhouse Primary Academy continues to be **a good school**. This is superb outcome and one which our school community can be very proud of.

You will see from the report the many positives and successes which the inspector noted, along with some areas for how we can improve even further. From the report, you can get a real feel for what it is like to be a child at our school as well as lots of detail about what the inspector thought of our work. I would like to offer my thanks to all parents who contributed to the inspection through their responses to the Ofsted Parent View or by talking to the inspector before or after school. I very much appreciate your comments and thoughts on how our school operates, thank you. At Woodhouse, we are always seeking to improve and we have already begun to act on the advice from the inspection alongside our school improvement plan. I and my dedicated staff team will continue to strive to improve our school and I look forward to the next stage in our school's development.

The report will be published on the Ofsted website (<https://reports.ofsted.gov.uk/provider/21/139637>) towards the end of the week. Thank you for your patience as we awaited the final report, I know many of you were very keen to find out how we had got on. I would like to take this opportunity to thank you for your commitment to our school and our shared aim of providing the very best education for your children. I hope you enjoy reading the report.

Your sincerely,

Mr O Wilson
Head Teacher
