Tuesday 30th June 2020

Dear Parents/Carers

By now we have all accepted that we won't be celebrating your time at Woodhouse in the 'normal' way but we couldn't let you go without a fuss. We are planning to have a celebration for you in the Autumn (date to be confirmed) so watch this space, details will be coming your way soon.

For now, we need your help to mark the end of your time by creating a lasting memory of you all. We would like you to take a photograph of yourself and send it to us with you holding up a piece of paper that says ' I am hopeful that...' you can complete the sentence in as many or as few words as you want.

For example: I am hopeful that one day there will be less pollution in the world.

I am hopeful that one day soon all people will be treated equally.

I am hopeful that one day there will be no homelessness. etc

We will then put all your photos and hopes together to create one last lockdown video which captures you all as you leave Year 6. Please post your photos to the class stream or email to school and we will do the rest, we need everyone to get involved so that we are all captured together for one last time. I look forward to seeing your photos and reading your hopes for the future.

Please send in by Friday July 10th.

Take care, Miss Lavelle
