- During this period of home learning teachers are providing work using Google Classroom. However, we also have this website that has new resources, links and videos to access in addition to the work being set.

For queries relating to our Emergency care for critical workers or vulnerable children, or to discuss care needs, contact Mr Wilson by email: [covid19care@woodhouse.uwmat.co.uk](mailto:covid19care@woodhouse.uwmat.co.uk) – we will do what we can to support you if there is no other alternative. The emergency care is precisely that: it is not anything close to normal school provision. Children in emergency care will complete the same home learning as their classmates at home, there is no advantage to being in school at this time.

For those staying safe from risk at home, we have straight away rolled out our high quality remote learning for all children, based primarily around our Google Classrooms. Work is updated each and every day for each class. You can see our clear structure for learning on our Remote Learning Action plan here: <https://tinyurl.com/y6stjuvl> which gives you an idea of how you could structure your day of home learning. We have our Home Learning website here: <https://homelearning.woodhouse.academy> with a wide range of activities to engage your children.

We will be issuing full newsletters from next week with children's learning pictures and stories. Please send anything you'd like us to include to our dedicated newsletter email address: [newsletter@woodhouse.uwmat.co.uk](mailto:newsletter@woodhouse.uwmat.co.uk)
