PE Days

As previously shared, our PE provision will be slightly different during 2020-2021. Children will not bring a PE kit into school in a PE bag, instead they will attend school dressed in clothing suitable for PE lessons. Children will wear trainers or pumps, tracksuit bottoms (black/dark if possible), T-shirt (their school PE T-Shirt if possible) and their usual school jumper.

Children do not change for PE in school, which as well as being safer in the current climate, also provides more time to focus on PE lessons! Please can children arrive in this way on their allocated PE day.

Monday – Year 5 and Reception

Tuesday – Year 1 and Year 4

Wednesday – Year 2 and 6W

Thursday – Year 3 and 6D

Friday – Nursery, Rainbow Room and 6LP

This week we have been celebrating British Science Week. Children have been looking at the theme, "Innovation for the Future" and thinking about how important science is in our lives. If you would like more information about this, there is link is on your child's Google Classroom.

There is also poster competition open for all ages which asks children to design a poster about 'Innovating for the future'. You could think about protecting the environment, designing a futuristic robot, or maybe even future space travel? All details can be found at

<https://www.britishscienceweek.org/plan-your-activities/poster-competition/>

Remember, if you do have a go at any of activities, please let your teacher know and share any photos you have!

Food Allergies

In order to keep our dietary records up to date, please inform the main office of any changes to your child's dietary requirements, allergies and intolerances. We are able to cater for most requirements but must know in advance.

If your child only eats Halal meats but can eat fish, please also let the main office know. We do not serve Halal meats.

Please either contact the main office on 0121 464 1769 or email the Inclusion Team on families@woodhouse.uwmat.co.uk

Please also remember that we are a NUT FREE school.

Book some time to Read

The total word count on Accelerated Reader for school this half term is 34,396,059 overall with A total of 3562 quizzes been passed.

Gurraj, 5H has reached 6 million words read.

If you haven't already, pick up a book or logon to Myon or EPIC and enjoy reading! There are now over 5000 books on Myon ready to start reading.

<https://www.myon.co.uk/login/>

Epic! Is a free online library where children can read lots of very popular books – 40,000 books to be precise! If children are on accelerate reader they can search their level and finds lots of well-known favourites and if they aren't on AR then they can listen to lots of the read aloud stories. It is accessible between the hours of 7-4 (schooltime) and all children need to do is head to <https://www.getepic.com/students> and pop in the class code which has been given to them by their teachers. They then need to click on their icon and they can read away!

Teachers will also assign books for children to read to do with their topic and children will be rewarded as a class depending on how much they collectively read.

Parents can also use their email address to allow the children an extra few hours after 4 o'clock. This is free of charge.

The Inclusion Team at Woodhouse work together with children and families to offer and provide support and opportunities to ensure that all have the chance to achieve and succeed.

If you have anything you would like to discuss with a member of the team regarding your child or children's learning, behaviour, well-being, health or anything else then please get in touch. families@woodhouse.uwmat.co.uk

If you'd like to get in touch with us regarding Special Educational Needs, you can do this by emailing us at sensupport@woodhouse.uwmat.co.uk

The Inclusion Team will also be on the front and rear gates at the start and end of the day and will be more than happy to talk.

We would like to remind families that if times are difficult or you are going through a tough time, you need only ask and we will do all we can. Of course, we are always here for your children, and we will do anything which we can do to help them to learn, succeed and become fine citizens. We are also there for our families and the wider school community. If we can help in any way: with food bank support, support with uniforms and clothing or with any other aspect of life, then please get in touch. If we cannot help directly, we can often sign post to the support needed and help you to access assistance. Please don't suffer in silence.

Zoom or Phone appointments can be made at any point during the school week.
